There are twenty member clubs in the Mohawk Hudson Council within the boundaries located from the north side of the Mid-Hudson Bridge (to the south) to one mile north of Lock four, Champlain Canal and to Lock eight in the Mohawk River to the west.

The main purpose of the council is to promote courtesy and safety on the water and good will among the member clubs. We also act as a coordinator for the agencies represented before the legislature or its members.

*Please have a safe  
and enjoyable boating season!*
