What is a Yacht or Boat Club all about anyway?

RCYC is a member owned and operated boat club.

With almost always someone on the dock to "toss a line to" while making your way into your slip, Club boating can be a pleasure. RCYC is a "working members" club. To keep our costs so low all members help with "docks in" and "docks out" plus another 25 hours of assistance each year.

Try 3 consecutive weeks this Summer as our guest on the fabulous Hudson River.

There is no better way to see if the "Boat Club" life might be for you!

RCYC welcomes boats up to 45' in length. MANY of our members started in the 20' range and "moved up" in size.

\$\$\$

At about **a third** the cost of a traditional marina with a pretty fun mix of members...

our boat club may be just the thing for you and your crew!

What's new for 2017?

RCYC Is Installing a Swimming Pool!

How nice would it be to relax in our pool after a day of boating?

Or...

**Too hot to boat?
No cooling breeze??
Problem solved!
See you in the Pool!**

Members can dock their 30' boat and store her at the club all winter for about \$1,600!

That annual fee includes a slip on the Hudson River, electrical power, municipal water, pump out station and WINTER STORAGE.

Our club has a great clubhouse for parties, 24 hour accessible head and showers and ample grounds for summertime trailer storage too!
